Description

The Sirfran ML-2 2-liter pressure sprayer is a tool designed to facilitate the application of liquids in various gardening, cleaning, and maintenance tasks. Its robust and ergonomic construction allows for efficient and comfortable use, adapting to the user's needs.

- Tank capacity: 2 liters, allowing for prolonged use without the need for frequent refills.
- Manufacturing material: Corrosion-resistant plastic, ensuring durability and easy maintenance.
- Maximum working pressure: 3 bar, providing an even and effective spray.
- Adjustable nozzle: allows you to modify the type of jet, from a fine spray to a more concentrated jet.
- Ergonomic handle: designed for a comfortable and secure grip, reducing fatigue during use.
- Safety valve: incorporates a system that prevents overpressure, increasing safety during operation.
- Transparent: the tank allows you to see the liquid level, making it easier to control the contents.
- Lightweight: its lightweight design allows easy transport and effortless handling.
