Description

The Matabi Berry 5 sprayer, with a 3.5-liter capacity, is a tool designed to facilitate the application of liquids in various gardening and maintenance tasks. Its ergonomic and safe construction allows for efficient use, minimizing the risk of overpressure and ensuring comfortable handling during operation.

- 3.5 liter capacity, suitable for prolonged work without the need for frequent refills.
- Integrated safety valve that prevents the risk of overpressure, ensuring safe operation.
- Ergonomic handle that makes filling and transporting the sprayer easy.
- Translucent tank that allows the liquid level to be seen clearly and easily.
- Bottom hose connection that ensures total use of the liquid, avoiding waste.
- Suitable for the application of products of natural origin, such as pelargonic acid and acetic acid, making it versatile for different types of treatments.
