Description

The Barbosa 1500 metal sweeper brush claw is an accessory designed to optimize the use of wooden sweeper brushes. Its robust construction and high-quality materials ensure a long life and reliable performance in a variety of cleaning applications.

- **Compatibility:** Fits all Barbosa wooden and pole sweepers with a diameter of 28 mm without thread.
- **Material:** Made of galvanized sheet metal, providing corrosion resistance and durability under adverse conditions.
- **Easy assembly:** Includes a wing-head screw that allows quick and efficient assembly of the brush with the wooden handle.
- **Firm grip:** Its design guarantees a secure grip of the brush, preventing any slipping during use.
- **Versatility:** Suitable for different types of sweeper brushes, facilitating its integration into various cleaning tasks.
