Description

The Ilargi 56B 70 DCH B/round lock is a security component designed to offer a high level of protection on doors. Its robust construction and technical features make it a reliable choice for a variety of residential and commercial applications.

- Model: 56B 70 DCH B/round
- Manufacturer: Ilargi
- Material: High-strength steel
- Dimensions: A: 43 mm, B: 70 mm
- Lock type: Cylindrical with double lever mechanism
- Finish: Nickel-plated, providing corrosion resistance
- Direction: Right
- Compatibility: Suitable for wooden and metal doors
- Installation: Requires basic tools and plumbing knowledge

The 56B lock stands out for its functional design, which allows for quick and easy installation. Its high-precision mechanism ensures a firm and long-lasting closure, contributing to the overall security of the building. In addition, the nickel-plated finish not only enhances aesthetics but also extends the product's lifespan, resisting daily wear and tear and harsh environmental conditions.
