## Description

The Tayg brand 5/10 liter drum spout is an accessory designed to facilitate the handling and pouring of liquids in a precise and controlled manner. Its ergonomic and functional design allows for comfortable use, avoiding spills and ensuring a constant flow. This product is suitable for a wide variety of liquids, making it a versatile tool in different environments, from home to professional settings.

- Material: Made of high-quality, chemical-resistant plastic.
- Dimensions: Compatible with 5 and 10 liter drums, easily adapting to different sizes.
- Design: Elongated body for easy access to narrow-mouth drums.
- Controlled flow: System that allows for controlled, spill-free pouring.
- Lightweight: Its light weight allows for simple and comfortable handling.
- Ease of cleaning: Smooth surface for easy cleaning and maintenance.
