Description

The 21x27 cm rectangular enameled roasting pan is a kitchen utensil designed for durability and optimal performance in food preparation. Its enameled surface makes it easy to clean and provides even heat distribution, allowing for more even cooking. This type of roaster is suitable for a variety of recipes, from roasts to stews, ensuring that the flavors remain intact.

- Dimensions: 21 cm wide x 27 cm long.
- Material: Enameled steel that resists high temperatures and corrosion.
- Non-stick surface that makes cleaning easier and prevents food from sticking.
- Rectangular design that optimizes space in the oven and allows for better food arrangement.
- Suitable for use on all types of stoves, including gas, electric, and conventional ovens.
- Wear resistance, ideal for frequent use in the kitchen.
