Description

The Mango B plastic wedge planter is an efficient and versatile solution for growing plants indoors and outdoors. Its functional design allows for proper drainage and ventilation, promoting healthy root growth. Made from high-quality materials, this planter can withstand a variety of weather conditions, ensuring long-lasting durability.

- **Material:** Weather-resistant plastic designed to withstand temperature changes and sun exposure.
- **Dimensions:** 30cm in diameter, providing plenty of room for root growth.
- **Drainage Wedge:** Incorporates a wedge system that helps drain water, preventing waterlogging and promoting plant health.
- **Ergonomic Design:** Its shape allows for easy and comfortable handling, making it easy to transport and relocate according to the user's needs.
- **Available Colors:** Available in a variety of colors to suit different gardening and decorating styles.
- **Use:** Suitable for a wide range of plants, from flowers to herbs and small shrubs.
