### Description

The MANGO plastic pot is a versatile and functional option for growing and presenting plants. Designed with a focus on durability and aesthetic design, this planter combines a modern finish with the strength of plastic, making it a suitable choice for various gardening and indoor and outdoor decoration applications.

- Material: High-quality plastic, resistant to weather and degradation.
- Dimensions: 30 cm in diameter and 25 cm in height, providing adequate space for root growth.
- Design: Smooth outline with a wedge at the bottom, which facilitates water drainage and prevents waterlogging.
- Color: Available in an attractive finish to suit different decorative styles.
- Usage: Suitable for both indoor and outdoor use, ideal for a variety of plants, from flowers to shrubs.
- Durability: Able to withstand temperature changes, ensuring durability in various weather conditions.
