### Description

The 26cm Round Enamel Roaster is a kitchen tool designed for even and efficient cooking. Its enamel construction ensures optimal heat distribution, allowing for consistent results every time. This roaster is suitable for a variety of preparations, from roasts to stews, and adapts to different types of stoves, including gas, electric, and induction.

- Diameter: 26 cm, ideal for medium portions.
- Material: High-quality enamel that provides durability and resistance to high temperatures.
- Compatible with different heat sources: gas, electric, and induction.
- Easy to clean thanks to its enameled surface that prevents food from sticking.
- Round design that promotes even heat distribution.
- Resistant to scratches and stains, maintaining its appearance over time.
- Ergonomic handles for safe and comfortable handling during cooking and serving.
