CR123 3V Alkaline Battery for Duracell Plus Remote Controls

Brand: DURACELL

Reference: ALM 0180.0309

Long-lasting battery designed for devices that require reliable and consistent performance. Its alkaline technology ensures efficient power delivery, ideal for remote controls and other electronic devices. Its compact form factor makes it easy to install in a variety of devices, ensuring optimal performance in everyday situations.

Description

The Duracell Plus 3V CR123 battery is a reliable, high-performance choice for devices that require a stable, long-lasting power source. Using advanced alkaline battery manufacturing technology, this unit is designed to deliver optimal performance in a variety of applications, from security systems to digital cameras and remote controls.

- Battery Type: Alkaline
- Nominal Voltage: 3V
- Capacity: 1500 mAh
- Dimensions: 34.5 mm height and 17 mm diameter
- Operating Temperature: -20°C to 54°C
- Shelf Life: Up to 10 years in storage
- Compatibility: Replacement for CR123A, EL123AP, and similar models
- Applications: Digital cameras, security systems, remote controls, and high-power devices

Duracell technology ensures long life and consistent performance, making it a suitable choice for devices that require reliable power. Their compact design allows for easy replacement in compatible devices, ensuring efficient, uninterrupted operation.
