Description

The 56B 60 DCH B/PERFIL ILARGI lock is a security component designed to offer a high level of protection on doors. This model is suitable for installation in a variety of residential and commercial applications, guaranteeing durability and resistance against unauthorized opening attempts.

- **Measurements:** A: 36 mm, B: 60 mm
- **Opening type:** Right
- **Material:** High-strength steel
- **Profile:** Ilargi
- **Closing system:** Cylinder
- **Compatibility:** Designed for wooden and metal doors
- **Installation:** Easy installation on standard doors
- **Corrosion resistance:** Surface treatment that increases durability

The lock is characterized by its robust and functional design, making it a reliable option for protecting spaces. Its cylinder system provides an efficient and secure locking mechanism, while its steel construction ensures a long service life, even in adverse conditions. Its specific profile allows for easy integration into doors that meet the established dimensions, facilitating installation without the need for additional modifications.
