Description

The side handle for the 4- to 10-liter pot, model 09REMECASTC, is an original Magefesa brand component, recognized for its quality and durability in kitchen utensils. This accessory is designed to provide a secure and comfortable grip, making it easier to handle the pot during use. It is manufactured with resistant materials, ensuring a long life and optimal performance in the kitchen.

- **Compatibility:** Specifically designed for Magefesa pots from 4 to 10 liters.
- **Material:** Made of high-strength stainless steel, which guarantees durability and resistance to high temperatures.
- **Ergonomics:** Its ergonomic design allows a firm grip, reducing the risk of slipping when handling the pot.
- **Installation:** Easy to install, fits perfectly to the structure of the pot without the need for additional tools.
- **Maintenance:** Corrosion resistant and easy to clean, ensuring proper hygiene in the kitchen.
- **Design:** Polished finish that provides an aesthetic touch, maintaining the elegance of Magefesa kitchen utensils.
