## Description

The Premion 25cm window cleaner is a tool designed to make cleaning glass surfaces easier. With a functional and efficient design, this product adapts to a variety of cleaning needs, guaranteeing optimal results in a short time.

- Dimensions: 25 cm wide, suitable for cleaning windows and glass of different sizes.
- Unfolded handle length: 1.5 meters, allowing you to reach high areas without the need for a ladder.
- Head material: Made of high-quality rubber, which ensures smooth and effective contact with the surface.
- Ergonomic handle design: Provides a comfortable and secure grip, facilitating its prolonged use.
- Lightweight and easy to handle: Its construction allows for simple and efficient handling during cleaning.
- Compatible with different cleaning techniques: It can be used with water, mild detergents, or specific glass solutions.

This window cleaner is a practical tool that becomes an ally in glass maintenance and cleaning tasks, offering reliable and long-lasting performance.
