### Description

The 60W G9 halogen oven bulb is the perfect solution for lighting your oven efficiently and long-lasting. With a power of 60W, this bulb provides a color temperature of 2800K and 600 lumens of brightness, guaranteeing optimal lighting for cooking your food.

- **Capacity:** G9
- **Temperature (K):** 2800
- **Lumens (Lm):** 600
- **Diameter (mm) (Ø):** 13
- **Amperes (mA):** 180
- **Opening angle (°):** 360
- **Hours of useful life:** 800
- **Voltage (V) (Maximum):** 240
- **Voltage (V) (Minimum):** 220
- **Frequency (Hz):** 50/60

This halogen bulb model comes in a practical box-type packaging with a hanging hook, and has a 360° spherical luminous flux. In addition, its ECO design offers 30% energy savings, making it a friendly option for the environment and your pocket.

### Specifications

|                     |               |
|---------------------|---------------|
| Opening angle       | 360           |
| Cap                 | G9            |
| Diameter            | 13            |
| EAN                 | 8433373090712 |
| Intensity           | 180           |
| Nominal voltage (V) | 240           |
| Estimated life (h)  | 800           |
