Description

The 35mm SDS Wall Hole Saw is a high-quality drilling tool designed for work in masonry, walls, marble, cement, bricks and more. With durable components and precise design, this hole saw is ideal for electrical installations, air conditioners, pipes, heaters, sewers and other construction projects.

- Dimensions: 35mm
- Components: 1 hole saw, 1 chuck, 1 pilot drill bit
- Cross-shaped guide drill bit for improved accuracy
- Screw-on chuck for easy assembly and disassembly of the hole saw and drill bit
- Hardened tips for smooth and fast cutting without vibration
- Use in masonry, walls, marble, cement, bricks, etc.

The 35mm SDS Muros Hole Saw features a cross-shaped guide drill bit designed to improve concentricity accuracy and increase stability while drilling. The chuck includes a screw that makes it easy to assemble and disassemble the hole saw and drill bit. The hardened tips ensure smooth, fast cutting without annoying vibrations. This tool is perfect for a wide variety of construction applications, from electrical connections to plumbing installations. With the 35 mm SDS Muros hole saw, you can make clean, precise holes in a variety of materials with ease and efficiency.

Specifications

High	4

Width	4
