Description

The 75 mm SDS-Mortar hole saw is a high-quality drilling tool designed for work in masonry, walls, marble, cement, brick, and more. With a robust and efficient design, this SDS-Mortar hole saw facilitates precise and stable drilling in a variety of materials. Key technical features:

- Dimensions: 75mm
- Components: 1 hole saw, 1 drill chuck, 1 guide bit
- Easy assembly and disassembly of the drill bit
- Cross-shaped guide bit for greater precision and stability
- Drill chuck with screw for easy disassembly of the hole saw and drill bit
- Hardened tips for smooth and fast cutting without vibrations
- Use in electrical installations, air conditioners, pipes, heaters, sewers, among others
- Also known as a hole saw, hole cutter, bell saw, hole saw, among other names

The SDS Muros 75 mm Crown is a versatile and durable tool, ideal for professionals looking for precise and efficient results in their construction, installation or repair projects. With its innovative design and superior performance, this Muros SDS core bit becomes a reliable choice for all types of drilling jobs on different surfaces.

Specifications

High	8
Width	8
EAN	8435450477256
Weight (kg)	0.82
