Description

The 500ml manual transfer pump is an essential tool for safely and efficiently transferring liquids in a variety of industrial environments. Its dual-action design allows for quick and effortless pumping, making the liquid transfer process easier.

- **Heavy Duty Materials:** Made from aluminum and steel, this pump ensures durability and strength in demanding work environments.
- **Vinyl Hose:** With a length of 240 cm, the vinyl hose provides flexibility and comfort during the liquid transfer process.
- **500 ml Capacity:** Ideal for transferring a considerable amount of liquid quickly and efficiently.
- **Versatile Use:** Perfect for automotive workshops, agricultural machinery, and industrial maintenance.
- **Easy to Use:** Its ergonomic design and dual-action pumping mechanism make it easy to operate even for inexperienced users.
- **Compact and Portable:** Its compact size makes it easy to transport and store when not in use.

Specifications

High	7
Width	7
EAN	8445187427936
