1" male thread adapter

Brand: COFAN

Reference: COF 90014065

The 1" male polypropylene thread adapter is a versatile and reliable solution for irrigation systems, boats, household appliances, and hose connections. Made from high-quality materials, it is lightweight, strong, and durable, ideal for domestic and professional use. With two available outputs, it adapts to different needs and systems. Its threaded connection system allows for quick, tool-free installation, ensuring a perfect seal that prevents leaks. With a working pressure of 0.5 to 3 bar, it is key to a safe and efficient connection in hydraulic or irrigation systems.
