Description

The Black Cuckoo Tower Fan is an efficient and elegant solution for keeping any space cool. With a power of 50 watts, this fan offers three adjustable speeds that allow you to customize the airflow intensity according to your needs. Its modern design, made of metal and polycarbonate, fits perfectly with the decor of bedrooms, living rooms, and work areas. With a height of 78 centimeters and a base of 22 centimeters in diameter, its structure is compact and easy to transport, making it a versatile option for any room. It also has a timer that allows you to program its automatic shut-off from 20 minutes to 2 hours, contributing to energy savings and providing comfort during rest hours. Its rotary and fixed operation provides uniform air distribution, improving circulation in the environment.
