Description

The Taxus 2000W PTC Ceramic Split in white is an efficient and modern heating solution, ideal for a variety of rooms such as bathrooms, garages, and kitchens. This device is made of high-quality materials, including metal, ceramic panels, and polycarbonate, ensuring durability and optimal performance. Its PTC ceramic heating element provides fast, even heating, while its compact, wall-mounted design allows for significant space savings. Equipped with an adjustable thermostat, the user can select between two heating powers: 1000W and 2000W, adapting to the specific needs of each situation. It also has a remote control and a timer that allows you to program it to shut off for up to 8 hours, providing comfort and functionality.

- Power: 2000W (adjustable to 1000W)
- Heating elements: PTC ceramic
- Operating modes: warm air and hot air
- Overheat protection with safety thermal cut-out
- Adjustable thermostat for precise temperature control
- Remote control included for added convenience
- Programmable timer for up to 8 hours
- LED display for easy viewing of settings
- Dimensions: 16 x 45 x 12.2 cm
- Wall-mounted with everything you need included
