Description

The ZARATE Series PTC Ceramic Split Heater is an innovative electric heater that combines modern design with advanced technology to deliver efficient and safe performance. Made of high-quality materials such as ABS, metal, ceramic plates, and polycarbonate, this device features a PTC ceramic heating element that adapts to the ambient temperature, ensuring fast and even heating. With a power of 2000 watts, you can select between two heating levels, 1000 and 2000 watts, thanks to its adjustable thermostat. Its functionality is complemented by a fan, warm air and hot air, making it a versatile option for any space.

- **Power:** 2000 watts with a 1000 watt option.
- **Functions:** Fan, warm air and hot air.
- **Remote control:** Includes remote control for greater comfort.
- **Weekly timer:** Allows you to program the on and off at specific times.
- **Open window detector:** Stops operation when it detects drafts.
- **Materials:** Constructed of ABS, metal, ceramic plates and polycarbonate.
- **Dimensions:** 18x43x14 cm.
- **Installation:** Wall mounting with everything you need included.
- **Ideal for:** Bathrooms, garages, laundry rooms and kitchens.
- **Energy efficiency:** Low consumption and highly efficient heat distribution.
