Description

The CORNEJO series electric towel warmer in white is an efficient and elegant solution for keeping your towels dry and warm. Featuring an "S"-shaped design and made of high-quality steel, this towel warmer features a dry-running system, eliminating the need for fluids and ensuring low energy consumption. Its 100 watts of power are distributed across five heating bars, providing even and efficient room heating. This device is ideal for bathrooms, laundry rooms and garages, thanks to its IP22 rating that makes it resistant to humidity.
