Brand: SCOA

Reference: SCO 01180

120cm nylon strap, designed to offer strength and durability in a variety of applications. Its 9mm thick round construction ensures optimal performance, suitable for activities that require security and confidence. Ideal for those seeking a functional, high-quality accessory for their daily use.

[View product online](#)**Description**

This accessory is made of nylon material that provides remarkable durability, making it a reliable choice for a variety of activities. Its round design, with a specific diameter, promotes a comfortable and secure grip, essential in situations where safety is a priority. The 75 cm length allows for versatility in use, easily adapting to different environments and needs, from walks to more demanding activities. The choice of a durable material ensures that this product maintains its integrity over time, even under intensive use. This type of accessory is especially valued by those who require an item that not only fulfills its primary function but also offers confidence in its daily performance. Its functional design integrates effortlessly into the routine of those seeking quality and efficiency, becoming an essential tool that facilitates various tasks. The combination of its durability and practical design positions it as a preferred option in the market, standing out for its ability to adapt to everyday demands.
