**Fackelmann salt/pepper shaker
75 ml standard**

Brand: SCOA

Reference: SCO 72504

The lid, designed for proper coverage and protection, is made of high-quality ABS and features a white finish that combines functionality and aesthetics. Its universal size makes it suitable for a variety of applications, ensuring durability and resistance in demanding environments. Ideal for maintaining hygiene and order.

[View product online](#)**Description**

This condiment container stands out for its practical and functional design, ideal for everyday use in the kitchen and at the table. The lid, made of high-quality material, provides effective coverage that ensures the freshness of its contents while preventing the entry of contaminants. Its white finish not only adds a touch of elegance but also facilitates its integration into different decorative styles. With a size that adapts to multiple needs, this utensil is versatile and can be used in a variety of situations, from family meals to special events. The durability of the material used in its manufacture guarantees optimal performance, even in environments where durability is essential. Furthermore, its design allows for easy cleaning, helping to maintain a hygienic and tidy kitchen environment. This product becomes an indispensable ally for those who value functionality without sacrificing aesthetics, offering a practical solution for storing and dispensing condiments at any time.
