**Rectangular clamp - 75x150mm,
GONAL**

Brand: GONAL

Reference: GIB 008205

This white lacquered metal component is ideal for ventilation and air handling applications. Its rectangular design allows for efficient installation in aerothermal and fume extraction systems, ensuring optimal performance in airflow management.

[View product online](#)**Description**

The 75x150 mm rectangular clamp is a robust and efficient solution for ventilation and air handling systems. Designed for applications requiring a secure and durable hold, this clamp is suitable for environments demanding precise airflow control, such as in aerothermal and smoke extraction systems.

- Dimensions: 75x150 mm
- Material: Lacquered metal
- Color: White
- Applications: Ventilation, air handling, aerothermal, smoke extraction
- EAN13 code: 8432453082050
