40mm Ceramic Cartridge Essential Range

Brand: EDM

Reference: GIB 001001

GAMA
Essential

This 40mm ceramic cartridge from the Essential range is designed for efficient performance in taps and water systems. Its construction ensures durability and smooth operation, making it ideal for replacing worn cartridges in plumbing installations.

Description

The Essential range 40mm Ceramic Cartridge is an efficient and reliable solution for taps and water systems. Its advanced design allows for smooth and precise operation, making it an ideal choice for replacing worn cartridges in plumbing installations. Manufactured from high-quality materials, this ceramic cartridge ensures a long lifespan and wear resistance, guaranteeing optimal performance under various usage conditions. Its installation is simple, facilitating its integration into existing systems without the need for complicated modifications.

- **Diameter:** 40mm
- **Material:** High-quality ceramic
- **Compatibility:** Ideal for standard taps and water systems
- **Durability:** Resistant to wear and corrosion
- **Operation:** Smooth and precise
- **Installation:** Quick and easy, no modifications required
- **Performance:** Efficient in controlling water flow
- **Temperature:** Withstands high water temperatures
- **Use:** Suitable for residential and commercial applications
- **Certifications:** Meets quality and safety standards
