Rectangular flexible extendable elbow - 55x110mm - 500mm, GONAL

Brand: GONAL

Reference: GIB 008014

Rectangular flexible elbow in white PVC, designed for ventilation and air treatment applications. Its structure allows it to adapt to different configurations, facilitating installation in aerothermal and fume extraction systems, ensuring efficient flow and optimal performance under various conditions.

[View product online](#)**Description**

The 55x110mm, 500mm long rectangular flexible extendable elbow is a versatile solution for ventilation and air handling systems. Made of white PVC, this component is suitable for applications requiring smoke extraction and aerothermal energy, offering simple installation and adaptability to different configurations.

- Dimensions: 55x110mm.
- Length: 500mm.
- Material: High quality PVC.
- Color: White.
- Applications: Ventilation, air handling, aerothermal energy and smoke extraction.
- EAN13: 8432453080148.
