Source: PVC Elbow HH 87° - 50mm, IBIDE.

Brand: IBIDE

Reference: GIB 001537

87.30° PVC elbow, designed to facilitate pipe connections in plumbing systems. Its glued joint ensures a secure and durable installation, allowing for efficient flow in plumbing applications. Ideal for projects requiring a change in pipe direction.

[View product online](#)**Description**

The 87°, 50 mm HH PVC elbow is an essential part of a piping system, designed to facilitate the change of direction of liquid flow in plumbing and sanitation installations. Manufactured with high-quality materials, this elbow guarantees durability and corrosion resistance, ensuring optimal performance in various applications.

- Angle: 87.30°
- Material: PVC
- Type of joint: Glued
- Connections: Female inlet and female outlet
- Diameter: 50 mm
- EAN13: 8432453015379

Specifications

EAN	8432453015379
Material	PVC
