Description

The 90° Horizontal Rectangular Elbow - 60x120mm is an essential component for ventilation and air handling systems. Made of high-quality PVC and in an elegant white color, this elbow is designed to facilitate the connection of ducts at right angles, optimizing airflow in a variety of applications, including aerothermal and fume extraction. Its robust construction guarantees durability and resistance to environmental conditions, making it a reliable choice for both residential and commercial installations.

- **Type:** Rectangular horizontal elbow 90°
- **Material:** High quality PVC
- **Color:** White
- **Dimensions:** 60x120mm
- **Applications:** Ventilation, air treatment, aerothermal energy, smoke extraction
- **EAN13:** 8432453027112
- **Installation:** Easy to integrate into existing duct systems
- **Resistance:** High durability and resistance to corrosion
- **Regulations:** Complies with quality standards for ventilation systems
- **Maintenance:** Low maintenance and easy cleaning required

Specifications

Colour	White
EAN	8432453027112
Material	PVC
