Vertical rectangular elbow 90° - 90x180mm, GONAL.

Brand: GONAL

Reference: GIB 002350

Vertical 90-degree rectangular elbow in white PVC, suitable for ventilation and smoke extraction systems. Its design optimizes air flow, ensuring efficient performance in a variety of technical and professional applications and contributing to the efficiency of the installed system.

[View product online](#)**Description**

The 90° vertical rectangular elbow is an efficient solution for ventilation and air handling systems. Designed to facilitate connection to aerothermal and smoke extraction ducts, this component ensures optimal and safe airflow in residential or commercial installations.

- Dimensions: 90x180 mm
- Angle: 90 degrees
- Material: High quality PVC
- Color: White
- Applications: Ventilation, aerothermal, smoke extraction
- EAN13 Code: 8432453023503
