**Round elbow D. 90° - 100mm,
GONAL.**

Brand: GONAL

Reference: GIB 008011

White PVC 90-degree round elbow, designed to optimize ventilation and smoke extraction systems. Its construction guarantees strength and durability, adapting to various technical applications in professional environments, ensuring efficient and controlled airflow in specific installations.

[View product online](#)**Description**

The 90° round elbow with a 100 mm diameter is an efficient solution for ventilation and air treatment systems. Made of white PVC, this component is suitable for applications requiring aerothermal energy and smoke extraction, offering durability and resistance in daily use.

- Diameter: 100 mm
- Angle: 90 degrees
- Material: PVC
- Color: White
- Applications: Ventilation, air treatment, aerothermal energy, smoke extraction
- EAN13 code: 8432453080117
