

Product sheet

**"A" trigger with support and lever, IDROSPANIA.**

Brand: IDROSPANIA

Reference: GIB 000938

Trigger with bracket and lever, optimized for applications demanding precision and control. Its robust design ensures reliable performance under a variety of operating conditions, while the high-quality materials used in its construction guarantee durability and efficiency in demanding professional environments.

[View product online](#)**Description**

The "A" trigger with bracket and lever is a component designed to offer reliable and efficient performance in industrial and mechanical applications. This device is characterized by its robust construction and its ability to operate in demanding conditions, ensuring optimal and long-lasting operation.

- Trigger type: "A" without base
- Includes support and lever for ease of use
- Construction material: High strength steel
- Finish: Anti-corrosion coating for greater durability
- Dimensions: 150 mm x 75 mm x 50 mm
- Weight: 500 grams
- Load capacity: up to 100 kg
- Operating temperature: -20 ° C to 80 ° C
- Compatibility: adaptable to multiple mounting systems
- Certification: complies with ISO 9001 regulations
