Figure 301 Galvanized Plug - 1/2", GIBALTO

Brand: GIBALTO

Reference: GIB 006308

Galvanized steel female threaded plug, ideal for sealing male ends in piping systems. Its robust design ensures a long service life and corrosion resistance, making it suitable for a variety of industrial and domestic applications requiring an effective and secure seal.

[View product online](#)**Description**

The Figure 301 is a galvanized plug designed to effectively close a male end in piping systems. Manufactured from high-quality materials, this component is essential to ensure the integrity and proper functioning of plumbing installations and fluid conduction systems.

- **Thread Type:** Female
- **Material:** Galvanized steel, offering excellent corrosion resistance and durability under harsh conditions.
- **Size:** 1/2 inch, suitable for a wide range of applications in standard piping systems.
- **EAN13 Code:** 8432453063080, for easy identification and inventory management.

Specifications

EAN	8432453063080
Thread	1/2"
