Description

The 3/4" white rubber conical washer is an essential component for float valve systems. Designed to provide an efficient seal, this washer is suitable for a variety of plumbing applications, ensuring a secure and long-lasting fit.

- Material: High-quality rubber, designed to resist wear and provide an effective seal.
- Color: White, allowing easy identification and combination with other components.
- Available sizes: 3/8", 1/2", 3/4", 1", 1 1/4", 1 1/2", and 2", offering versatility for different installation needs.
- Compatibility: Specially designed for use in float valves, ensuring optimal performance.
- Presentation: Available for sale in bulk or in bags, adapting to different purchasing requirements.
- Code EAN13: 8432453003789, to facilitate identification and inventory management.

Specifications

Colour	White
EAN	8432453003789
