Description

The semi-conical rubber or washer is an essential component for the correct operation of float valves in plumbing systems. Designed to offer a precise and secure fit, this washer is suitable for various applications, guaranteeing optimal and long-lasting performance.

- Available sizes: 1/2" and 3/4".
- Presentation: bag with 10 units.
- Semi-conical design for an efficient fit in float valves.
- High-quality material that ensures strength and durability.
- EAN13 code: 8432453003895.

Specifications

EAN	8432453003895
Material	Goma
Thread	3/4"
