**Flat gasket - 66x61.5x3mm,
IDROSPANIA**

Brand: IDROSPANIA

Reference: GIB 007895

Flat gasket made of flexible material, ideal for applications requiring effective sealing. Its black design and specific dimensions ensure a precise fit in a variety of installations. Available in various sizes, it adapts to different needs in industrial and mechanical environments.

[View product online](#)**Description**

The 66x61.5x3 mm flat gasket is an essential component in applications requiring an effective and long-lasting seal. Made of high-quality materials, this gasket offers a reliable solution to prevent leaks and ensure a precise fit in a variety of installations.

- Dimensions: 66x61.5x3 mm
- Material: Flexible, designed to adapt to different surfaces and provide an optimal seal
- Color: Black, making it easy to integrate into different environments and applications
- Available in various sizes, allowing it to be used in a wide range of applications
- EAN13: 8432453078954, for easy identification and inventory management
