Description

The Bubi3n shower handle is a practical and efficient solution for the bathroom, designed to offer a simple and functional shower experience. Made from high-quality materials, this shower head combines durability and a modern design to suit any bathroom style.

- Material: Made from ABS, a material known for its strength and lightness, ensuring a long product lifespan.
- Finish: Features a chrome finish that not only looks elegant but also makes it easy to clean and maintain.
- Functionality: It has a single function, simplifying its use and ensuring a constant and pleasant water flow.
- Anti-limescale system: Equipped with an anti-limescale system that helps prevent the build-up of mineral deposits, prolonging the product's efficiency.
- Silicone spikes: Incorporates silicone spikes that facilitate cleaning and prevent clogging, ensuring optimal water flow.
- Connection: It has a universal 1/2" connection, allowing for easy installation and compatibility with most shower systems.
