Multilayer Coupling Sleeve Press Type U-Red - Ø20x2.0

Brand: GIBALTO

Reference: GIB 014616

The multi-layer coupling sleeve offers an efficient solution for joining pipes, ensuring a secure and durable connection. Its red U-shaped profile design allows for effective crimping, adapting to a variety of applications in plumbing and heating systems, ensuring optimal performance in installations.

Description

The red U-type multi-layer coupling sleeve is an efficient solution for piping systems, designed to offer a secure and durable connection. This component is essential in installations that require reliable and pressure-resistant joints.

- Diameter: Ø20 mm with a thickness of 2.0 mm.
- Material: Multi-layer, providing a combination of strength and flexibility.
- Crimping profile: Red U-type, optimized to ensure a firm and stable connection.
- Compatibility: Available in various sizes to adapt to different installation needs.
- EAN13 code: 8435319150832, guaranteeing the traceability and authenticity of the product.

Specifications

Colour	Red
EAN	8435319150832
