Description

The Frontil Premium single-lever basin mixer is a reliable option for those seeking quality and functionality in their bathroom. Designed with durable materials and a stylish finish, this faucet combines advanced technology with modern design to deliver optimal performance in water flow and temperature control.

- **Brass Body:** Made from high-quality brass, it ensures corrosion resistance and a long lifespan.
- **Chrome Finish:** Provides a shiny, modern look and makes cleaning and maintenance easier.
- **Plastic Sprayer:** Designed to optimize water flow, ensuring efficient and economical use.
- **Smooth Handle Lever:** Allows precise and comfortable control of water flow and temperature.
- **Maximum Precision in Temperature Control:** Offers an exact fit for a safe and comfortable user experience.
- **35mm Ceramic Cartridge:** Ensures smooth and long-lasting operation, reducing wear and the need for maintenance.
- **FlexiTub UNE 53-626/2 connections:** They guarantee a simple and safe installation, adapting to different plumbing configurations.
- **Weight:** 602.5g, which makes it easy to handle and install without compromising stability.
