Description

The 1/2" chrome-plated recessed faucet fitting is a fundamental component for installing recessed faucets, designed to offer both functionality and a high-quality aesthetic finish. Made of chrome-plated brass, this fitting guarantees remarkable resistance to corrosion and wear, making it an ideal choice for plumbing projects that require durability and reliable performance over time. Its design allows for easy integration into existing plumbing systems, adapting to various installation needs thanks to its availability in several sizes. The chrome finish not only provides a modern touch but also facilitates cleaning and maintenance.

- **Connection Diameter:** 1/2".
- **Material:** Chrome-plated brass for durability and corrosion resistance.
- **Compatibility:** Designed for recessed faucets, facilitating integration into existing plumbing systems.
- **Finish:** Chrome plated, providing a modern look and easy to clean.
- **Available sizes:** Various options to suit different installation requirements.
- **Installation:** Simple and secure, designed for a precise and reliable fit.

Specifications

Colour	Cromo
EAN	8432453109783
Material	Cromo
Thread	1/2"
