Description

The 18mm chrome-plated recessed tap fitting is an efficient and durable solution for recessed tap installations. Designed for optimal performance, this fitting adapts to various plumbing configurations, ensuring seamless integration into any bathroom or kitchen environment. Its chrome finish not only provides a modern and elegant aesthetic, but also ensures superior resistance to corrosion and daily wear and tear.

- 18 mm diameter, suitable for standard concealed taps.
- Chrome finish that offers corrosion protection and a bright, modern look.
- Compatible with multiple sizes, making it easy to adapt to different plumbing systems.
- Made with high-quality materials to ensure a long lifespan and trouble-free operation.
- Compact design allows for easy and discreet installation in confined spaces.
- Ideal for plumbing and renovation projects.
- Facilitates access to tap mechanisms, optimizing maintenance.
- Provides a secure and stable fit, preventing leaks.
- Versatile use, suitable for residential and commercial applications.
- Certified to meet quality standards and security.
