Description

The Sanicap Replacement Tap Mount 20mm Visible Mount is an essential component for tap maintenance and repair, designed to ensure optimal performance and extend the lifespan of the plumbing system. This replacement part, with a 20mm diameter, fits a variety of models, offering versatility and efficiency in its application. Its robust design and high-quality materials guarantee strength and durability, even under heavy use. The exposed mount facilitates both installation and maintenance, making it a practical option for any plumbing project.

- **Diameter:** 20 mm, suitable for a wide range of taps.
- **Exposed Mount:** facilitates installation and maintenance.
- **Availability:** in different sizes to suit various needs.
- **Materials:** manufactured from corrosion-resistant materials, ensuring a long service life.
- **Compatibility:** with standard plumbing systems, allowing for easy integration.
- **Ergonomic Design:** which facilitates handling and adjustment.
- **High-Quality Finish:** which prevents wear and ensures consistent performance.
