Description

The Sanicap 22mm Replacement Tap Mount is an efficient and durable solution for tap maintenance and repair. Designed for optimal performance, this mount is suitable for a wide variety of applications in homes and commercial settings. Its robust design and compatibility with different sizes make it a versatile choice for those seeking quality and functionality in their plumbing installations. The exposed mount allows for easy access, facilitating installation without the need for specialized tools, making it ideal for both professionals and DIY enthusiasts.

- **Diameter:** 22 mm, suitable for a wide range of standard taps.
- **Material:** Made from corrosion-resistant materials to ensure a long lifespan.
- **Compatibility:** Available in different sizes to suit various installation needs.
- **Installation:** Exposed mount, facilitating access and installation without the need for specialized tools.
- **Application:** Designed for use on hot and cold water taps, ensuring a constant, leak-free flow.
- **Maintenance:** Easy to clean and maintain, contributing to the efficiency of the plumbing system.
