Female fitting multi-layer mobile nut press type u-red - Ø20x1/2"

Brand: GIBALTO

Reference: GIB 014631

Female movable nut connection for multi-layer systems, ideal for plumbing applications. Its design allows for efficient and secure pressing, ensuring a versatile and adaptable installation in hydraulic network construction and maintenance projects, optimizing the performance and durability of the connections.

Description

The female fitting with multi-layer mobile nut is an efficient solution for plumbing systems, designed to offer a secure and durable connection. This component is suitable for various applications, thanks to its versatility and the quality of its manufacturing materials.

- Diameter: Ø20 mm x 1/2 ".
- Crimping type: red U-type profile, which guarantees a firm and resistant connection.
- Material: multi-layer, providing excellent corrosion resistance and durability.
- EAN13: 8435319151037, for easy product identification and traceability.
- Compatibility: available in various sizes to adapt to different installation needs.

Specifications

Colour	Red
EAN	8435319151037
