Description

The 1 1/4" fitting is an essential component in the plumbing field, designed to offer a safe and efficient connection in pipe systems. Manufactured with high quality materials, this fitting guarantees durability and resistance in diverse applications. Its versatile design allows its use in multiple contexts, adapting to different installation needs.

- Diameter: 1 1/4"
- Color: White
- Material: High resistance
- EAN13: 8432453080384
- Compatibility: Various sizes available
- Uses: Multiple applications in plumbing systems
- Measurement guide: Available in the product image

Specifications

EAN	8432453080384
Thread	1 1/4"
