Description

The 1 1/4" Male Threaded Brass Plug is an essential component for various plumbing and mechanical applications. Made of high-quality brass, this plug guarantees excellent corrosion resistance and long durability, making it a reliable choice for sealing threaded connections. Its male mouth design allows for easy installation on compatible pipes and fittings, ensuring a secure and watertight fit. This plug is ideal for applications requiring a secure and durable connection, accommodating various standard thread diameters.

- **Mouth Type:** male
- **Thread Diameter:** various sizes available
- **Material:** brass
- **EAN13:** 8432453029253
- **Resistance:** high corrosion resistance
- **Applications:** ideal for systems Plumbing and Mechanical Installation: Easy and quick. Durability: Long service life. Compatibility: Fits standard threaded connections. Finish: Polished surface for optimal sealing. This plug is a practical and efficient solution for ensuring watertightness in various installations, offering reliable performance over time.

Specifications

EAN	8432453029253
Material	Latón

Thread	1 1/4"
