Description

The 20 mm PVC end cap is an essential component for terminating dead-end branches or those awaiting potential expansion. This product is designed to offer an effective and durable solution in piping systems, guaranteeing a secure and efficient closure. It is joined using a special PVC adhesive, ensuring easy assembly and high strength in various applications. This plug is ideal for installations where flexibility and the possibility of future expansion are required without compromising the integrity of the system.

- **Material:** High-quality PVC
- **Diameter:** 20 mm
- **Use:** Ideal for blind branches or those awaiting expansion
- **Joining:** Special adhesive for PVC
- **Assembly:** Simple and quick
- **Resistance:** High resistance to pressure and environmental conditions
- **Applications:** Plumbing, irrigation, and other installations
- **Durability:** Long service life
- **Compatibility:** Compatible with other 20 mm PVC fittings
- **Color:** Transparent

Specifications

EAN	8432453012972
Material	PVC
