Description

The 32 mm PVC end cap is an essential component for terminating dead-end pipe branches or those awaiting potential expansion. This product is designed to provide an effective and durable solution for piping systems, guaranteeing a watertight seal that prevents leaks and ensures system integrity. It is joined using a special PVC adhesive, facilitating quick and easy assembly without compromising the overall strength. This plug is ideal for applications in various installations, from irrigation systems to plumbing networks, where a secure and reliable closure is required.

- **Diameter:** 32 mm
- **Material:** High-quality PVC
- **Use:** Ideal for blind branches or those awaiting expansion
- **Joining:** Special adhesive for PVC
- **Assembly:** Quick and easy
- **Resistance:** High pressure resistance
- **Applications:** Irrigation systems, plumbing, and more
- **Durability:** Resistant to corrosion and chemical agents
- **Compatibility:** Compatible with other PVC fittings
- **Standards:** Meets quality standards and security

Specifications

EAN	8432453019667
Material	PVC
