Description

The 125mm PVC threaded manhole cover plug is an efficient solution for piping systems that require a secure and durable closure. Manufactured from high-quality materials, this component is designed to deliver optimal performance in a variety of plumbing and construction applications. Its threaded design makes installation and maintenance easy, ensuring a firm and reliable connection.

- Diameter: 125mm
- Material: PVC, known for its corrosion resistance and durability
- Joint: Glued, providing a watertight and secure connection
- Outlet type: Male, compatible with a variety of piping systems
- EAN13 Code: 8432453044454

Specifications

EAN	8432453044454
Material	PVC
