Description

The 75mm PVC threaded manhole cover plug is an efficient solution for piping systems that require a secure and durable closure. Designed to deliver optimal performance in a variety of applications, this component is essential for maintaining the integrity of the piping system, allowing easy access for inspection and maintenance.

- Diameter: 75mm
- Material: PVC, known for its corrosion resistance and durability
- Joint type: Glued, ensuring a tight, leak-free connection
- Outlet: Male type, facilitating integration with other system components
- EAN13 Code: 8432453062489

Specifications

EAN	8432453062489
Material	PVC
